NOTICE: Your LoLA username and password is the same for Canvas, so once you change your password on LoLA it will change it for your Canvas account. Your student email is NOT the same as your LoLA and Canvas accounts.

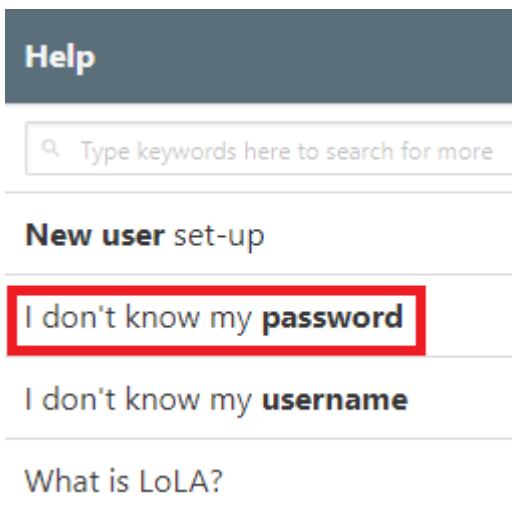

I'm locked out of my LoLA account

After several failed login attempts, LoLA will lock your account. It will not alert you that your account is locked. It will continue to give you an "invalid username/password" error.

To unlock either wait at least 15-20 minutes or follow the unlock account guide.

1.) Under **Help:** Select "**I don't know my password**" for your password. This will send you to the look up tool.

Follow all prompts to reset your password.

The screenshot shows a web interface with a dark grey header bar containing the word "Help" in white. Below the header is a search bar with a magnifying glass icon and the placeholder text "Type keywords here to search for more". Underneath the search bar is a list of links separated by horizontal lines. The first link is "New user set-up". The second link, "I don't know my password", is highlighted with a red rectangular border. The third link is "I don't know my username". The fourth link is "What is LoLA?".

LoLA/LCTCS 2-factor authentication

This guide on how to enroll in 2-factor authentication (2FA) for LCTCS has been provided by LCTCS. Click the link below to view the guide.

LCTCS Duo How To

You will need to use 2FA for both LoLA and some NTCC services.

- Once you enroll using the above guide, you will also automatically be enroll for NTCC as well. Both LoLA and NTCC use the Louisiana Community & Technical College System account in Duo Mobile.
- Enrolling in the app and using Duo Push will ensure the best option for authenticating into your services.

Please submit a helpdesk ticket if you get a new phone in order to reactivate your account. The app is tied to the phone and you will not be able to authenticate if you do not re-enroll.

What uses my LoLA account?

LoLA username and password are used for **any** tool/application found inside LoLA once you log in, such as Cognos, Banner, and Employee timesheet. It is also used for Canvas.

These are some examples:

Other System Links

- **NSHORE ApplicationXtender SSO Login**
- **ApplicationXtender Direct Login**
- **ChromeRiver Expense**
- **Cognos 11 Production**
- **Cognos 11 Development**
- **ePrint Production SSO Login**
- **Intellecheck Production**
- **Intellecheck Test**
- **LCTCS Helpdesk**
- **Quick Support**
- **Workflow Production**
- **Workflow Test**

Banner Administrative Pages

Use the Application Navigator link below to access **Banner 9 Admin Pages**.

- **Application Navigator**

Some of the services require **Duo Security** to authenticate into that service such as your Employee timesheet.

How to get access to an LCTCS/LoLA service.

There are two ways to get access to a particular service in LoLA

1. Once you log into LoLA, navigate to the left-hand side where **Banner Security Forms** are and select the proper form for the service you need. For instance, if you need access to Student Admissions, then select the **Banner/Cognos (Student)** form. Then submit the required form once all details have been filled.
2. If a form is not available to the service you need, contact your supervisor or correct representative so they can request access for you. An example would be contacting NTCC's Financial Analyst for **ChromeRiver Expense** which is used for travel reimbursements.
