

What uses my LoLA account?

LoLA username and password are used for **any** tool/application found inside LoLA once you log in, such as Cognos, Banner, and Employee timesheet. It is also used for Canvas.

These are some examples:

Other System Links

- **NSHORE ApplicationXtender SSO Login**
- **ApplicationXtender Direct Login**
- **ChromeRiver Expense**
- **Cognos 11 Production**
- **Cognos 11 Development**
- **ePrint Production SSO Login**
- **Intellecheck Production**
- **Intellecheck Test**
- **LCTCS Helpdesk**
- **Quick Support**
- **Workflow Production**
- **Workflow Test**

Banner Administrative Pages

Use the Application Navigator link below to access **Banner 9 Admin Pages**.

- **Application Navigator**

Some of the services require **Duo Security** to authenticate into that service such as your Employee timesheet.
