The image shows a 'Print Job Notification' dialog box. At the top, it says 'Print Job Notification' with a close button. Below that is a green square icon and the text 'Print Job Notification' and 'Add GatorPrint Funds'. The main instruction is 'Confirm the print and select the print action'. The dialog is divided into two sections: 'Print job details' and 'Print job actions'. In the 'Print job details' section, there are three fields: 'Document name' with the value 'Test Page', 'Printer' with the value 'hun-print-01\Follow-Me Print', and 'Pages' with the value '1 (Grayscale)'. The 'Cost' is shown as '\$0.10'. In the 'Print job actions' section, there are two radio buttons: 'Charge to my personal account' (which is selected) and 'Charge to shared account'. Below these is a dropdown menu for 'Account' with the value 'Student Services Student Workers\Hammond Student S...'. At the bottom, there is a checkbox for 'Apply to all documents in queue (Jobs: 1)' and two buttons: 'Print' and 'Cancel'.
