

How to clear your browser's cache.

Clearing cache in Chrome.

1.) With the Chrome browser open, click **More** (3 dots) at the top right.

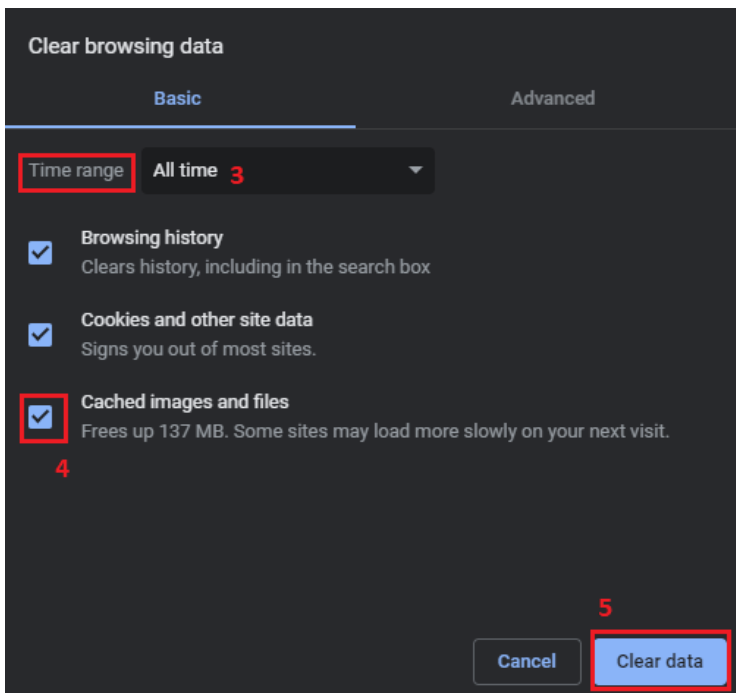

2.) Click **More tools > Clear browsing data...**

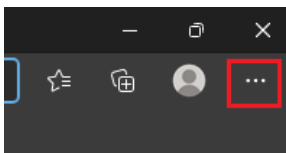

3.) Select the **Time range** you would like to clear. To delete everything select **All time**.

4.) Click **Clear data**.

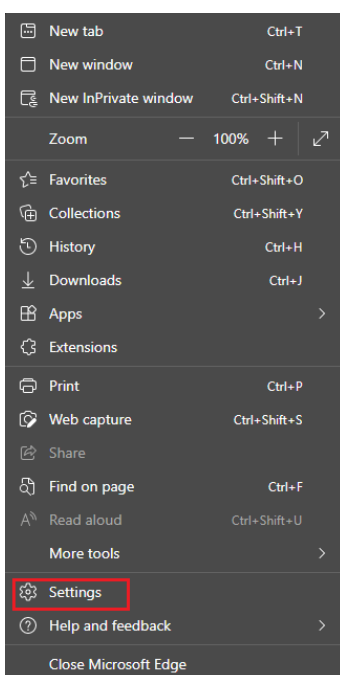

Clearing cache in Edge.

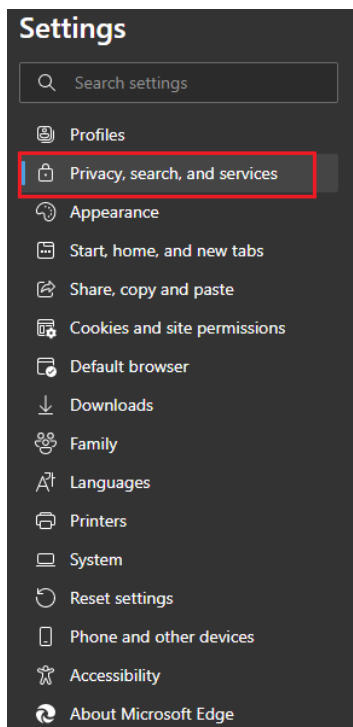

1.) With Edge browser open, select **Menu** (3 dots) at top right.

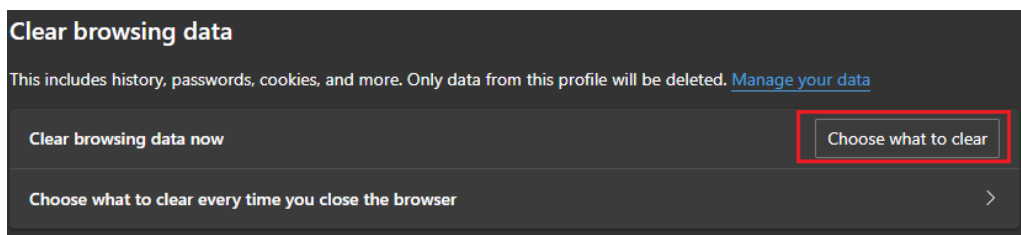

2.) Go to **Settings**.

3.) On the left side of the screen, select **Privacy, search, and services**.

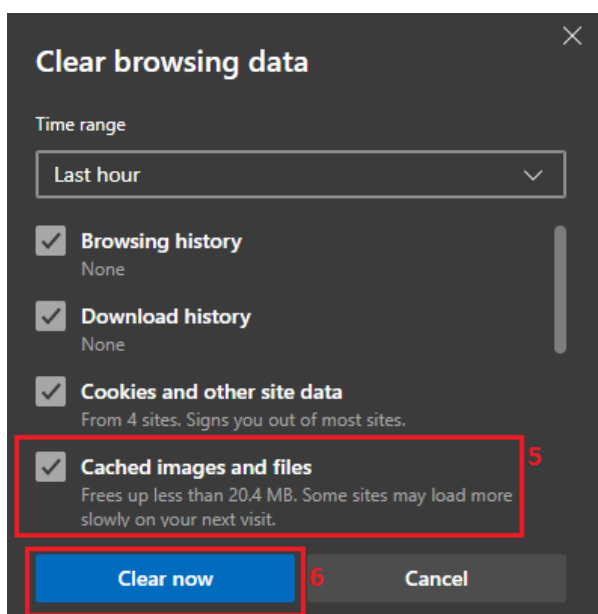

4.) Under **Clear browsing data**, select **Choose what to clear**.

5.) Check the box next to **Cached images and files**. The other categories are optional.

6.) Click **Clear now**.

This is also how you would clear cookies in your browser. You would check the box next to cookies for both browsers.
