

Logging into Zoom Phone

Logging into Zoom Phone is relatively simple, but if you don't click a certain button, it won't work.

The Zoom Phone software is ONLY supported on NTCC-owned laptops. It is not supported on mobile devices or personally-owned computers.

Steps to login to the Zoom Phone desktop application

1. If you don't have the Zoom application installed, [install it from the Software Center](#).
2. Open the Zoom application
3. Press the SSO button

5. Enter northshorecollege in the text box. Entering anything else will cause it to not recognize the college's single sign-on.
6. You will be redirected to the normal NTCC single sign-on page with Lacombe campus in the background. Login using your NTCC email username and password as you would for email.

Steps to login to the Zoom website

1. Open a web browser like Google Chrome
2. Navigate to <https://northshorecollege.zoom.us>
3. Click the sign in button
4. You will be redirected to the normal NTCC single sign-on page with Lacombe campus in the background. Login using your NTCC email username and password as you would for email.
